2013 - 2014
Annual Report
of Gifts and Donors

Letter from the Chairman, Board of Trustees

September 2014

Dear Webb Friends,

On behalf of the Board of Trustees, I thank everyone in the Webb Community for your support during the past year. The Webb School continues to be strengthened by your loyalty and commitment. As a donor, you clearly understand there is something special about our Webb School that stays with us forever. This year, alumni, parents, grandparents, faculty, staff and friends of the school provided funds that have enabled the school to make marked improvements of which I am very proud.

In recognition of the many donors who have generously supported Webb during the past fiscal year (July 1, 2013-June 30, 2014), this Annual Report will be included in The Webb Magazine fall/winter issue. The stories and information you will see in the magazine describe and amplify the initiatives that are supporting our progress. From academics to technology, to capital projects to overall financial stability, I know Webb is succeeding in delivering on its mission.

Please celebrate with me the results of Webb's philanthropic support: The Webb Fund received \$531,349 in gifts from 640 donors. These gifts provide critical support to ongoing operational needs

and allow Webb to enhance educational opportunities.

Gifts were also made to the endowment, for capital projects and other specific initiatives. These special gifts, when added to The Webb Fund, totaled almost \$1.4 million. Thank you!

You believe in The Webb School, and your philanthropy is one more way that you are moving our school forward. The recent opening of McClurg Hall is an excellent example of Webb's "philanthropy at work." Many donor friends contributed to this valuable and needed building for our students.

I hope you will enjoy reading this annual report. It is a positive reflection of all that you do for The Webb School.

Sincerely yours,

George E. Pine '68

Alumni Gifts

Webb alumni generously gave to Webb this past year, supporting the annual fund, contributing to capital projects, and growing the endowment. These gifts assist almost every area across the school, and continue a cycle of giving whereby current students, faculty, and staff benefit from those who have come before them.

Alumni listed below have made cash gifts to one or more areas of the school during the fiscal year. The top five classes based on giving percentage are listed at the end of the report, along with the overall alumni giving percentage and total dollars received.

Class giving percentages are calculated as follows: The numerator includes all alumni who made a gift. The denominator includes all active alumni of a given class who graduated from Webb.
